2011 CE REGISTRY FORM

The American Academy of Audiology has been approved by the International Association for Continuing Education and Training (IACET) to administer continuing education units (CEUs). The Academy will offer CEUs for any Academy sponsored continuing education activity. In addition, other organizations may apply to offer Academy CEUs for their continuing education programs.

Participants' CEU records will be maintained at the Academy's headquarters on the Academy CE Registry**.** There is an annual non member registry fee of $60 that must be paid to receive CEUs. In order to join the Registry, please complete the form below and send it with your payment.

Participants will be issued a transcript in January of each year listing educational activities attended and the number of CEUs earned for the pervious year. Following AudiologyNOW!, you will have access to CEU Manager to print your convention transcript. Only individuals who have paid the registry fee will have access to transcripts. A processing fee will be charged for additional transcripts requested.
