Invoices will be mailed in July 2012 and January 2013 based on the total number of 2012 course offerings offered between January 1 to June 30 and July 1 to December 31, respectively. A course is defined as a specific offering, on a specific date, at a specific location. Example: If an approval form was submitted for various dates and locations, each course offering will be counted individually. Ongoing online/text courses will be counted based on submission of program report forms.

Payment will be due within 30 days of receipt. If payment is not received in 30 days, the Academy will stop approving and recording 2012 courses until the fee is paid
