

Clinical Management of Children with Cochlear Implants

Table of Contents

00: Preface

Laurie S. Eisenberg, Ph.D. (Editor)

01: Cochlear Implants in Children: Historical Perspectives and Personal Reflections

First Author: Laurie S. Eisenberg, Ph.D.

02: Clinical Management of Cochlear Implants in Children: An Overview

First Author: Margaret E. Winter, M.S.

Second Author: Brooke N. Phillips, Au.D.

03: Acoustic Amplification for Infants and Children: Selection, Fitting and Management

First Author: Patricia A. Roush, Au.D.

Second Author: Richard C. Seewald, Ph.D.

04: Bilateral Cochlear Implants in Children

First Author: Ruth Y. Litovsky, Ph.D.

Second Author: Jane Madell, Ph.D.

05: Pediatric Cochlear Implantation: Surgical Aspects

First Author: Eric P. Wilkinson, M.D.

Second Author: Jose N. Fayad, M.D.

Third Author: William M. Luxford, M.D.

06: Programming Pediatric Cochlear Implant Systems

First Author: Teresa A. Zwolan, Ph.D.

Second Author: Casey J. Stach, M.A.

07: Electrically Evoked Auditory Potentials: Clinical Applications

First Author: Carolyn J. Brown, Ph.D.

Second Author: Paul J. Abbas, Ph.D.

Third Author: Christine P. Etlar, M.A.

Fourth Author: Abbie K. Larson, B.A.

Fifth Author: Kristin E. Musser, B.A.

Sixth Author: Sara N. O'Brien, M.A.

08: Vestibular Assessment

First Author: Sharon L. Cushing, M.D.

Second Author: Blake C. Papsin, M.D.

09: Assessment of Auditory Speech-Perception Capacity

First Author: Arthur Boothroyd, Ph.D.

10: Assessing Spoken Word Recognition in Children with Cochlear Implants

First Author: Karen Iler Kirk, Ph.D.

Second Author: Brian F. French, Ph.D.

Third Author: Sangsook Choi, Ph.D.

11: The Speech-Language Specialist on the Pediatric Cochlear Implant Team

First Author: Sophie E. Ambrose, M.A.

Second Author: Dianne M. Hammes Ganguly, M.A.

Third Author: Kathy M. Lehnert, M.S.

12: Prelexical Infant Scale Evaluation (PRISE): From Vocalization to Audition in Hearing and Hearing-Impaired Infants

First Author: Liat Kishon-Rabin, Ph.D.

Second Author: Riki Taitelbaum-Swead, Ph.D..

Third Author: Osnat Segal, M.A.

13: Psychological Consideration in Pediatric Cochlear Implantation

First Author: John F. Knutson, Ph.D.

Second Author: Carren J. Stika, Ph.D.

14: Outcomes in Cochlear Implantation: Assessment of Quality of Life Impact and Economic Evaluation of the Cochlear Implant

First Author: Frank R. Lin, M.D.

Second Author: John K. Niparko, M.D.

Third Author: Howard W. Francis, M.D.

15: Auditory-Verbal Therapy and Babies

First Author: Sylvia F. Rotfleisch, M.Sc.A.

16: Educational Considerations: From Listening to Literacy

First Author: Mary Ellen Nevins, Ed.D.

Second Author: Patricia M. Chute, Ed.D.

17: Empowering Families of Children with Cochlear Implants: Implications for Early Intervention and Language Development

First Author: Jean L DesJardin, Ph.D.

18: Working with Children from Lower SES Families: Understanding Health Disparities

First Author: Dana L. Suskind, M.D.

Second Author: Sarah Gehlert, Ph.D.

19: Cochlear Implantation of Children with Multiple Disabilities

First Author: Karen C. Johnson, Ph.D.

Second Author: Susan E. Wiley, M.D.

20: Management of Children with “Auditory Neuropathy”

First Author: Craig A. Buchman, M.D.

Second Author: Patricia A. Roush, Au.D.

Third Author: Holly F.B. Teagle, Au.D.

Fourth Author: Carlton J. Zdanski, M.D.

21: Auditory Brainstem Implants in Children

First Author: Robert V. Shannon, Ph.D.

Second Author: Lilliana Colletti, Ph.D.

Third Author: Laurie S. Eisenberg, Ph.D.

Fourth Author: Karen C. Johnson, Ph.D.

Fifth Author: Marco Carner, M.D.

Sixth Author: Vittorio Colletti, M.D.
