

NOMINATION FORM
AMERICAN ACADEMY OF AUDIOLOGY
ACTIVE ADVOCATE OF THE YEAR AWARD

Name (submitter):

Address:

Phone:

Email:

I wish to nominate the following individual for the Active Advocate of the Year Award to recognize him/her for their demonstrated leadership in advancing the public policy goals for the audiology profession.

Eligible nominees are Academy members who have exhibited extraordinary efforts to promote the autonomy of the profession or to advance other initiatives impacting hearing health care policy issues pertinent to audiologists. *Members of the State Network Subcommittee are not eligible for nomination during their tenure on the subcommittee.*

The following award criteria should be considered when nominating an individual:

- Leadership and advocacy on a specific initiative within the past year that significantly contributed to advancing audiology at the state and national level
- Leadership and advocacy in a series of activities over the course of several years that has significantly contributed to advancing audiology at the state and national level
- Nominees must be members of the Academy.
- Leadership qualities including but not limited to: planning, motivating others, and implementing strategies.
