State Insurance Mandates for Hearing Health/Hearing Aids
February 2022

- Hearing aid coverage for children: 27 States
- Three states (AZ, NV, HI) currently include hearing aid coverage in their benchmark plan under the Affordable Care Act. Once a state designates a “benchmark plan,” all other individual and small group plans must provide comparable coverage. States may make modifications to their benchmark plan at any time.

**Arkansas (Arkansas Code Ann. 23-79-1401)**
Covered—Children and Adults
