

2023 Sponsorship and Promotional Opportunities

Raise your visibility. Build your brand. Make an impact.

Position your company as an industry leader by partnering with the American Academy of Audiology—the world’s largest professional organization of, by and for audiologists.

Access and Influence the Audiology Marketplace

Representing the interests of audiologists and future audiologists, the Academy is dedicated to fulfilling its mission: providing quality hearing-care services through professional development, education, research, and increased public awareness of hearing and balance disorders.

The Academy brings you unprecedented impact and reach through the most comprehensive suite of organizations, events, products and publications in the audiology industry.

- **AAA+HearTECH Expo** is your chance to engage thousands of Academy member and non-member audiologists all in one place all at one time.
- The **American Academy of Audiology Foundation’s (AAAF)** mission is to promote philanthropy in support of research, education, and public awareness in audiology and hearing sciences.
- The **Student Academy of Audiology (SAA)** is an organization of, by, and for student audiologists. The SAA is a direct connection between students and their future professional home and discipline.
- The **American Board of Audiology (ABA)** is a certification organization dedicated to enhancing audiological services available to the public by working with expert practitioners across the globe to create universally recognized standards in professional audiology practice.
- The **Accreditation Commission for Audiology Education (ACAE)** is dedicated to recognizing, reinforcing, and promoting high quality performance in AuD educational programs through a rigorous verification process.
- **Academy Research Conference** brings the industry’s best and brightest together to address key areas of research like age-related hearing and balance decline.
- **eAudiology** audiology’s go-to online learning resource for live and on-demand web seminars, AAA+HearTECH Expo conference sessions, and certificate programs.
- **Audiology Today** is the American Academy of Audiology’s award-winning, bi-monthly magazine of, by, and for audiologists.

Why Sponsor?

- Drive new leads, increase sales and market share
- Differentiate yourself with your target market
- Target a new customer group
- Elevate company, product and brand visibility across the audiology profession
- Contribute to better patient outcomes and the advancement of the audiology field
- Support the profession that supports you
- Strengthen existing customer relationships
- Enhance your company image and prestige
- Show the entire audiology community, your commitment to their professional success

Your customers aren't just looking for great products and services. They're looking for solutions. They're looking for a partner they can trust.

Looking for even more?

Through strategically aligning with the Academy and its affiliated organizations, you can become an **Academy Corporate Partner** and benefit from the impact of a comprehensive marketing campaign, while also contributing to the organization that gives back to the Audiology community.

As an Academy Corporate Partner, you will build your brand and position your company with Audiologists worldwide, as an industry leader, trusted advisor and partner through engaging the Academy, enhancing the Academy's initiatives, improving membership benefits, and building rapport with the world's largest professional organization of, by and for audiologists.

AAA 2023+HearTECH Expo Sponsorships

(All conference sponsors will be recognized on the AAA 2023 website – logo to be supplied by sponsoring company in a high-resolution format.)

Expo Speaking, Experiential and Traffic-Building Opportunities

Open to HearTECH Hub Package Sponsors & exhibitors only.

HearTECH Hub Package

Six (6) Available

\$20,000 each

At the heart of the HearTECH Expo is the HearTECH Hub—an area where attendees gather to learn about the latest technology, industry trends, and emerging needs in hearing health. Attendees will get a glimpse of what the future may hold for audiology, and it's an opportunity for companies to display and showcase their products and services, technology, innovation, thought leadership, and overall support of the audiology profession.

Sponsorship benefits include:

- Opportunity to host a 30-minute educational session in the Hub—your company will determine the topic, identify the speakers(s), and develop the content. CEUs will be made available to attendees of this session.
- Company representative to participate in our 60-minute “Future Forecast” Q&A discussion in the Hub—your company’s CEO or other high-level representative will offer their thoughts on the future of audiology. CEUs will be made available to attendees of this session.
- Branded kiosk in the lounge section of the Hub—attendees will be able to easily find you and engage with you at a branded kiosk as well as see your products showcased in plexiglass display cases.
- Logo recognition in signage in the Hub and on your company’s kiosk.
- A 30-second company commercial to be hosted on the AAA Annual Conference website.
- Promotional literature in the conference tote bags.
- Industry Update Session—Industry Updates, held in classrooms on the expo floor, are designed to provide attendees with information focused on product training and/or demonstration. CEUs will be made available to attendees of this session and promoted with all other conference education.
- Recognition in special pre-show promotions for the HearTECH Expo and the HearTECH Hub, in the printed conference guide, in the session listings in the Online conference planner, and on signage.
- Four complimentary expo-only passes (no CEUs). If your company **does not** have exhibit space in the hall in addition to the Hub kiosk, expo-only passes may be purchased for \$300 each. If your company does have an exhibit space in the hall in addition to the Hub kiosk, you can purchase additional tickets at \$50 each.

Celebrate Audiology **SOLD!**

Exclusive Opportunity

\$14,000

This signature reception on Wednesday evening inside the HearTECH Expo is the official kick-off of the conference.

Sponsorship benefits include:

- Recognition on all promotions for Celebrate Audiology, in the conference guide, and on signage.
- Logo placement on appetizer napkins at the food stations and bars.
- Specialty drink to be offered at the bars to be named by your company.
- Bar placement near your booth.

Headshot Studio **SOLD!**

Exclusive Opportunity

\$10,000

Highly popular at AAA2022+HearTECH Expo, every professional needs a good headshot for his or her networking and business opportunities. An integral part of HearTECH Expo, located in an attendee networking and seating area near the Industry Updates, a professional photographer will capture portraits (headshots) of the attendees for several hours on Thursday and Friday.

Sponsorship benefits include:

- Recognition in the Headshot Studio promotions, on signage, and in the printed conference guide.
- Opportunity to distribute company collateral or a giveaway item to participants at the Headshots Studio.

Wine and Cheese Reception **NEW!**

Exclusive Opportunity

\$9,500

After a long day of education on Thursday, HearTECH Expo will play host to a Wine and Cheese Reception from 6:00-7:00 pm giving attendees a chance to unwind and visit with you on the show floor.

Sponsorship benefits include:

- Recognition on all promotions for our Wine and Cheese Reception, in the conference guide and on signage.
- Logo placement on appetizer napkins at the food stations and bars.
- Bar placement near your booth.

Cell Phone Charging Towers **NEW!**

Up to 10 Available

\$6,000 each (10% discount for exclusive rights – minimum of 3)

Attendees are always looking for somewhere to charge their phones. Help them stay “charged up” at the conference by sponsoring cell phone charging towers we will have available in the Recharge Lounge and in designated seating/networking areas. The charging towers will be on full display and branded with your specifically-designed graphic(s). Guests will be invited to network, relax, and recharge in the lounge while waiting for their device.

Recharge Lounge **NEW! SOLD!**

Exclusive Opportunity

\$10,000

Associate your brand with the “**Recharge Lounge**” a destination for attendees and exhibitors alike to take a break, relax, and connect during show hours. Sponsorship includes recognition in all promotions, in the conference guide and on signage. You may also display informational collateral on tables located in the lounge.

STILL AVAILABLE! The Academy reserves the right to sell separate sponsorship for cell phone charging towers/areas and refreshment breaks within the Recharge Lounge.

American Academy of Audiology Foundation (AAAF)

The American Academy of Audiology (AAA) Foundation's mission supports education, research, and public awareness in audiology and hearing sciences. Its many programs and initiatives impact audiologists, audiology students, and those with hearing loss and balance disorders. The AAA Foundation is a 501(c)(3) nonprofit organization.

Student Travel Grants

\$1,750 per student

Part of the Foundation's primary mission is to support education. To foster support for future audiologists, the Foundation would like to offer travel grants for students to participate and attend AAA2023+HearTECH Expo. Not only does this provide educational opportunities to students, it also provides a platform for networking and mentorship, meeting industry representatives, and allowing students to have the experience of everything the Academy offers at its annual meeting.

Travel grants also include membership in the Student Academy of Audiology (SAA), which represents the collective voice of audiology students. The SAA is committed to serving students of all backgrounds pursuing careers in audiology including advancing their rights, interests, and welfare. The SAA provides an abundance of resources and a wealth of information for students to get started.

Sponsorship benefits include:

- Recognition on Foundation and SAA websites.
- Recognition of sponsor will be on all application and promotion materials.
- Sponsor will receive recognition on a post-annual meeting news article.

AAAF Research: Research Grants in Hearing and Balance

\$2,500 minimum

As the Academy's Foundation supporting research, the Foundation identifies research priorities areas that reflect the pressing needs to support work within the organization. At this time, the key research objectives will focus on evidence regarding the value of hearing screening (related to the USPSTF recommendation) and evidence about patient safety and direct access to audiology services.

These two topic areas have been identified as *priority* areas of focus but not to limit the award only to one of the areas. There is ongoing consideration for innovation and reflection that other might identify a more emergent priority need for research.

AAAF Education: AAA Foundation Named Scholarship Program

\$15,000 or higher (Plus Overhead)

Partner with the AAA Foundation to create your own named scholarship program. The program would provide funding for qualified AuD, PhD, and AuD/PhD students to use toward tuition, books, or room and board. The minimum amount accepted is \$15,000, which may be dispersed in one scholarship cycle or over the course of up to five (5) years.

Examples include: one \$15,000 scholarship; three \$5,000 scholarships dispersed in one year; one \$5,000 scholarship each year for 3 years; or one \$3,000 scholarship each year for 5 years.

Overhead fee for development and implementation of scholarship programs – \$4,000 annually for the duration of the program:

AAAF Education: AAA Foundation Named Scholarship Program (continued)
