

## 2026 Sponsorship and Promotional Opportunities

*Raise your visibility. Build your brand. Make an impact.*

Position your company as an industry leader by partnering with the American Academy of Audiology—the world's largest professional organization of, by and for audiologists.

### Engage and Influence the Audiology Marketplace

Representing the interests of audiologists and future audiologists, the Academy is dedicated to fulfilling its mission: providing quality hearing-care services through professional development, education, research, and increased public awareness of hearing and balance disorders.

The Academy brings you unprecedented impact and reach through the most comprehensive suite of organizations, events, products and publications in the audiology industry.

Connect your brand and show your industry support/commitment to the following suite of Academy properties.

- The **AAA Annual Convention** is your chance to engage thousands of Academy member and non-member audiologists all in one place all at one time.
- The **American Academy of Audiology Foundation (AAAF)** and their mission is to promote philanthropy in support of research, education, and public awareness in audiology and hearing sciences.
- The **Student Academy of Audiology (SAA)** is an organization of, by, and for student audiologists. The SAA is a direct connection between students and their future professional home and discipline.
- The **American Board of Audiology (ABA)** is a certification organization dedicated to enhancing audiological services available to the public by working with expert practitioners across the globe to create universally recognized standards in professional audiology practice.
- The **Accreditation Commission for Audiology Education (ACAE)** is a certification organization dedicated to recognizing, reinforcing, and promoting high quality performance in AuD educational programs through a rigorous verification process.
- **Academy Research Conference** brings the industry's best and brightest together to address key areas of research like age-related hearing and balance decline.
- **eAudiology** is the audiology industry's go-to online learning resource for live and on-demand web seminars, AAA Annual Convention sessions, and certificate programs.
- The Academy flagship publication, **Audiology Today** is the award-winning, bi-monthly magazine of, by, and for audiologists.

### Why Sponsor?

- Drive new leads\*, increase sales and market share
- Differentiate yourself with your target market
- Target a new customer group
- Elevate company, product and brand visibility across the audiology profession
- Contribute to better patient outcomes and the advancement of the audiology field
- Support the profession that supports you
- Strengthen existing customer relationships
- Enhance your company image and prestige
- Show the entire audiology community, your commitment to their professional success

\*According to a study conducted by the Center for Exhibition Industry Research, (CEIR), sponsorship can increase booth traffic by 104 percent.

**Your customers aren't just looking for great products and services. They're looking for solutions. They're looking for a partner they can trust.**

## Looking to position yourself as an Audiology Industry Leader?

Through strategically aligning with the Academy and its affiliated organizations, you can become an **Academy Corporate Partner** and benefit from the impact of a comprehensive marketing campaign across all Academy entities, while also contributing to the organization that gives back to the Audiology community.

As an Academy Corporate Partner, you will build your brand and position your company with Audiologists worldwide, as an industry leader, trusted advisor and partner through engaging the Academy, enhancing the Academy's initiatives, improving membership benefits, and building rapport with the world's largest professional organization of, by and for audiologists.

**Just a few of the benefits of Corporate Partnership include....**

- Discounts off select AAA Annual Convention & Academy-wide sponsorship

## AAA Annual Convention 2026 Sponsorship

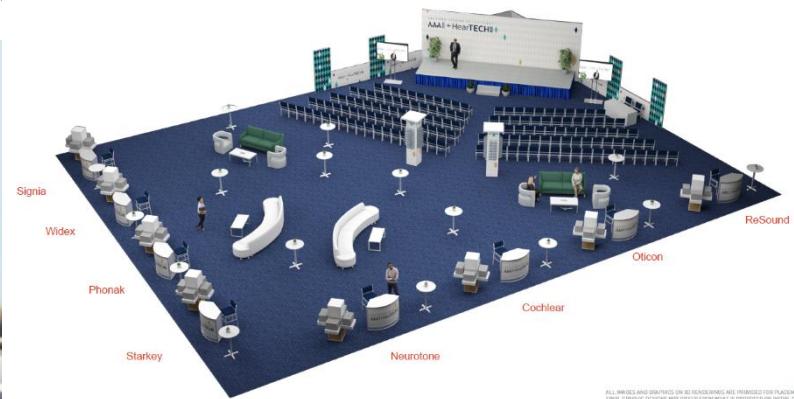

(All convention sponsors will be recognized on the AAA 2026 website)

## Expo Speaking, Experiential and Traffic-Building Opportunities

**Open to HearTECH Hub Package Sponsors & exhibitors only.**

### HearTECH Hub Package Only 1 left!

\$23,000 each (with exhibit space on the expo floor\*)

Join the industry leaders in the heart of the AAA Annual Convention 2026 is the HearTECH Hub—an area where attendees gather to learn about the latest technology, industry trends, and emerging needs in hearing health.

Attendees will get a glimpse of what the future may hold for audiology, and it's an opportunity for companies to display and showcase their products and services, technology, innovation, thought leadership, and overall support of the audiology profession.

### Sponsorship benefits include:

- Opportunity to host a **30-minute educational session in the Hub**—your company will determine the topic, identify the speaker(s), and develop the content. CEUs will be made available to attendees of this session.
- **Company representative to participate in our 60-minute “Future Forecast” Q&A discussion in the Hub\***—your company's CEO or other high-level representative will offer their thoughts on the future of audiology. CEUs will be made available to attendees of this session. (Device manufacturers only)

- **Branded kiosk in the lounge section of the Hub**—attendees will be able to easily find you and engage with you at a branded kiosk as well as see your products showcased in plexiglass display cases.
- **Logo recognition in signage in the Hub** and on your company's kiosk.
- **A 30-second company commercial** to be hosted on the AAA Annual Convention website.
- **Complimentary** convention tote bag insert. (**\$2,500 value**)
- **Complimentary** Industry Update Session (**\$1,600 value**)—Industry Updates, held in classrooms on the expo floor, are designed to provide attendees with information focused on product training and/or demonstration. CEUs will be made available to attendees of this session and promoted with all other convention education. **Abstracts must be submitted through the online abstract submission portal by January 5, 2026 to make the first online planner publishing date. After that, we can accept and publish to the planner ongoing. The final submission deadline is February 19, 2026.**
- **Recognition** in special pre-show promotions for the AAA Annual Convention 2026 and the HearTECH Hub, in the printed convention center map and session pocket guide (if sponsored), in the session listings in the Online conference planner, and on signage onsite.
- **Four complimentary expo-only passes** (no CEUs) (**\$1,200 value**). If your company **does not** have exhibit space in the hall in addition to the Hub kiosk, expo-only passes may be purchased for \$315 each. If your company has an exhibit space in the hall in addition to the Hub kiosk, you can purchase additional tickets at \$65 each. Exhibitors can also purchase a full conference access registration at \$565. (These are all early-bird prices which end on March 11, 2026).

\*\$29,000 without exhibit space. Non-device manufacturers pricing varies.

Build relationships and promote inclusiveness with current audiology graduate students, who will soon enter the field. Each grant provides six (6) to twelve (12) audiology graduate students free registration and a stipend toward lodging to attend AAA Annual Convention 2026. Students will be required to apply, and the applications will be reviewed by the Student Academy of Audiology Advisory Committee. Efforts will be made to identify underrepresented minority students.

Grant sponsor benefits include:

- Recognition in promotional materials for this program.
- Recognition in communications to the winners.
- Mailing list of the grant recipients.

*Grant providers are encouraged to reach out to the recipients and meet them at the convention.*

## **Unrestricted Educational Grants Multiple Available**

**Amounts Vary**

Unrestricted educational grants are used to support activities that enhance the educational program and/or extend its reach beyond the time and setting of the meeting. Educational grants provide the Academy the continued opportunity to bring the latest advancements in audiology to attendees. In addition to helping advance the field of audiology, grant providers will receive recognition in the convention guide, on signage at the meeting, and in promotional materials and communications.

## **A DEIB Dialogue— Current Issues**

**\$5,000**

On Thursday, April 23<sup>rd</sup> from 1-2pm, the Diversity, Equity, Inclusion, and Belonging Committee is providing an opportunity for audiologists to come together to identify current issues and address challenges to a culture of inclusiveness in audiology. The session will include an introduction of select topics with invited brief presentations, as well as large group and table discussions. The educational session will also offer an opportunity to make connections.

The sponsor will be recognized in all Academy and AAA 2026 promotions about the session, will have the opportunity to place their logo on napkins to go with a refreshment break provided all attendees, can address the audience with welcome remarks and up to two company representatives can stay and participate in the session.

## **Advancing Research in Audiology: A Dialogue**

**\$5,000**

On Friday, April 24<sup>th</sup> from 1-2pm, this session will feature invited guests discussing current research priorities and opportunities for clinical and academic collaborations. Large group and small table discussions will focus on select topics for both the seasoned researcher and the audiologist who is just getting started in research.

The sponsor will be recognized in all Academy and AAA 2026 promotions about the session, will have the opportunity to place their logo on napkins to go with a refreshment break provided all attendees, can address the audience with welcome remarks and up to two company representatives can stay and participate in the session

# American Academy of Audiology Foundation (AAAF)

The American Academy of Audiology (AAA) Foundation's mission supports education, research, and public awareness in audiology and hearing sciences. Its many programs and initiatives impact audiologists, audiology students, and those with hearing loss and balance disorders. The AAA Foundation is a 501(c)(3) nonprofit organization.

## Student Travel Grants

**\$1,750 per student**

Part of the Foundation's primary mission is to support education. To foster support for future audiologists, the Foundation would like to offer travel grants for students to participate and attend AAA Annual Convention 2026. Not only does this provide educational opportunities to students, it also provides a platform for networking and mentorship, meeting industry representatives, and allowing students to have the experience of everything the Academy offers at its annual meeting.

Travel grants also include membership in the Student Academy of Audiology (SAA), which represents the collective voice of audiology students. The SAA is committed to serving students of all backgrounds pursuing careers in audiology including advancing their rights, interests, and welfare. The SAA provides an abundance of resources and a wealth of information for students to get started.

Sponsorship benefits include:

- Recognition on Foundation and SAA websites.
- Recognition of sponsor will be on all application and promotion materials.
- Sponsor will receive recognition on a post-annual meeting news article.

## AAAF Research: Research Grants in Hearing and Balance

**\$2,500 minimum**

As the Academy's Foundation supporting research, the Foundation identifies research priorities areas that reflect the pressing needs to support work within the organization. At this time, the key research objectives will focus on evidence regarding the value of hearing screening (related to the USPSTF recommendation) and evidence about patient safety and direct access to audiology services.

These two topic areas have been identified as *priority* areas of focus but not to limit the award only to one of the areas. There is ongoing consideration for innovation and reflection that other might identify a more emergent priority need for research.

Reach out to the Academy's entire membership\* (6,500 – 7,500) via e-mail. As the sponsor, we will work with you to build an e-mail using the Academy's e-mail template with images and language you prepare and submit. Working with the Academy to send out a message through our platform adds credibility to your message.

#### E-mail Blast to Academy Professional Members **NEW!**

**Limited availability**

**\$5,000 each**

Send your customized message to 5,500 to 6,500 Academy professional members\* via e-mail. Your company provides the content, and the Academy builds the e-mail blast using the AAA template.

#### E-mail Blast to Academy Student Members **NEW!**

**Limited availability**

**\$2,500 each**

Send your customized message to 850-1,000 Academy student members\* via e-mail. Your company provides the content, and the Academy builds the e-mail blast using the AAA template.

The Academy branding will catch the attendees' attention and add to your company's credibility.

We will work with you to select the pre- or post-convention date to send the e-mail.

\* E-mail will be sent to Academy members who did not opt out of receiving communications. Email content, materials due 2-3 weeks in advance of send date. One proof will be sent to sponsor for review. Not available in March or early-May 2026.

## Industry Solutions Webinar on eAudiology **Limited Availability!**

\$3,500 per webinar

Reach the Academy members outside of the annual convention, provide valuable education, and position your company as a thought leader. As an Industry Solutions Webinar Sponsor, you determine the topic, identify the speaker(s), and develop the content. The thirty-minute webinar (with CEU's), which will be free to all members, will be pre-recorded and available on demand on the Academy's online educational platform, eAudiology. The webinar will be featured on the eAudiology home page for at least two weeks after launch, and the webinar will be accessible for up to 12 months, as long as the content remains relevant.

Sponsorship benefits include:

- Recognition in the webinar's promotions, which will include a dedicated blast e-mail to the membership
- A link in Audiology Weekly e-newsletters and social media posts.
- A mailing list of registrants (6 weeks after launch); the list will include e-mail addresses for those individuals who indicate that they want to receive more information.
