

2026 Sponsorship and Promotional Opportunities

Raise your visibility. Build your brand. Make an impact.

Position your company as an industry leader by partnering with the American Academy of Audiology—the world's largest professional organization of, by and for audiologists.

Engage and Influence the Audiology Marketplace

Representing the interests of audiologists and future audiologists, the Academy is dedicated to fulfilling its mission: providing quality hearing-care services through professional development, education, research, and increased public awareness of hearing and balance disorders.

The Academy brings you unprecedented impact and reach through the most comprehensive suite of organizations, events, products and publications in the audiology industry.

Connect your brand and show your industry support/commitment to the following suite of Academy properties.

- The **AAA Annual Convention** is your chance to engage thousands of Academy member and non-member audiologists all in one place all at one time.
- The **American Academy of Audiology Foundation (AAAF)** and their mission is to promote philanthropy in support of research, education, and public awareness in audiology and hearing sciences.
- The **Student Academy of Audiology (SAA)** is an organization of, by, and for student audiologists. The SAA is a direct connection between students and their future professional home and discipline.
- The **American Board of Audiology (ABA)** is a certification organization dedicated to enhancing audiological services available to the public by working with expert practitioners across the globe to create universally recognized standards in professional audiology practice.
- The **Accreditation Commission for Audiology Education (ACAE)** is a certification organization dedicated to recognizing, reinforcing, and promoting high quality performance in AuD educational programs through a rigorous verification process.
- **Academy Research Conference** brings the industry's best and brightest together to address key areas of research like age-related hearing and balance decline.
- **eAudiology** is the audiology industry's go-to online learning resource for live and on-demand web seminars, AAA Annual Convention sessions, and certificate programs.
- The Academy flagship publication, **Audiology Today** is the award-winning, bi-monthly magazine of, by, and for audiologists.

AAA Annual Convention 2026 Sponsorship

(All convention sponsors will be recognized on the AAA 2026 website)

Expo Speaking, Experiential and Traffic-Building Opportunities

Open to HearTECH Hub Package Sponsors & exhibitors only.

HearTECH Hub Package

\$23,000 each (with exhibit space on the expo floor)

Join the industry leaders in the heart of the AAA Annual Convention 2026 is the HearTECH Hub—an area where attendees gather to learn about the latest technology, industry trends, and emerging needs in hearing health.

Attendees will get a glimpse of what the future may hold for audiology, and it's an opportunity for companies to display and showcase their products and services, technology, innovation, thought leadership, and overall support of the audiology profession.

Sponsorship benefits include:

- Opportunity to host a **30-minute educational session in the Hub**—your company will determine the topic, identify the speakers(s), and develop the content. CEUs will be made available to attendees of this session.
- **Company representative to participate in our 60-minute “Future Forecast” Q&A discussion in the Hub**—your company's CEO or other high-level representative will offer their thoughts on the future of audiology. CEUs will be made available to attendees of this session.
- **Branded kiosk in the lounge section of the Hub**—attendees will be able to easily find you and engage with you at a branded kiosk as well as see your products showcased in plexiglass display cases.
- **Logo recognition in signage in the Hub** and on your company's kiosk.
- A **30-second company commercial** to be hosted on the AAA Annual Convention website.
- **Complimentary** convention tote bag insert. **(\$2,500 value)**

(HearTECH Hub Package Sponsorship continued)

- **Complimentary Industry Update Session (\$1,600 value)**—Industry Updates, held in classrooms on the expo floor, are designed to provide attendees with information focused on product training and/or demonstration. CEUs will be made available to attendees of this session and promoted with all other convention education. ***Abstracts must be submitted through the online abstract submission portal by January 5, 2026 to make the first online planner publishing date. After that, we can accept and publish to the planner ongoing. The final submission deadline is February 19, 2026.***
- **Recognition** in special pre-show promotions for the AAA Annual Convention 2026 and the HearTECH Hub, in the printed convention center map and session pocket guide (if sponsored), in the session listings in the Online conference planner, and on signage onsite.
- **Four complimentary expo-only passes (no CEUs) (\$1,200 value).** If your company **does not** have exhibit space in the hall in addition to the Hub kiosk, expo-only passes may be purchased for \$315 each. If your company has an exhibit space in the hall in addition to the Hub kiosk, you can purchase additional tickets at \$65 each. Exhibitors can also purchase a full conference access registration at \$565. (These are all early-bird prices which end on March 11, 2026).

Celebrate Audiology Exclusive Opportunity **\$19,250**

This signature reception on Wednesday evening inside the AAA Annual Convention 2026 is the official kick-off of the convention.

Sponsorship benefits include:

- Recognition on all promotions for Celebrate Audiology, on the AAA convention website, in the online planner, the mobile app, and on signage.
- Logo placement on appetizer napkins and signage at the food stations and bars.
- Specialty drink to be offered at the bars to be named by your company.
- Bar placement in or near your booth.

Headshot Studio SOLD! **\$12,000**

Popular attendee destination at AAA Annual Convention 2026, every professional needs a good headshot for his or her networking and business opportunities. Located in an attendee networking and seating area, a professional photographer will capture portraits (headshots) of the attendees for several hours on Thursday and Friday.

SAA Student Series SOLD!

\$8,800

It is no secret that students are eager for additional opportunities to learn and apply skills that are not fully expanded upon during their formal education settings. The SAA Student Series, developed by the SAA, will offer three educational sessions covering topics or themes of interest identified by students, for students. Position your company as a partner to build your brand with students before they begin their careers as audiologists.

Sponsorship benefits include:

- Recognition online where the SAA Student Series is mentioned, in the convention mobile app, the online conference planner and on signage at each session.
- Opportunity to introduce the speaker at the beginning of each session.
- The opportunity to distribute collateral at each session and introduce the speaker in each session.

If you are interested in developing and offering a session for students that will benefit their education, provide them with the latest research and tools while preparing them for success as an audiologist, we would be happy to work with you on session ideas. Sessions developed and presented by sponsors will be made available on a limited basis and at a cost of \$3,000 per session.

American Academy of Audiology Foundation (AAAF)

The American Academy of Audiology (AAA) Foundation's mission supports education, research, and public awareness in audiology and hearing sciences. Its many programs and initiatives impact audiologists, audiology students, and those with hearing loss and balance disorders. The AAA Foundation is a 501(c)(3) nonprofit organization.

Student Travel Grants

\$1,750 per student

Part of the Foundation's primary mission is to support education. To foster support for future audiologists, the Foundation would like to offer travel grants for students to participate and attend AAA Annual Convention 2026. Not only does this provide educational opportunities to students, it also provides a platform for networking and mentorship, meeting industry representatives, and allowing students to have the experience of everything the Academy offers at its annual meeting.

Travel grants also include membership in the Student Academy of Audiology (SAA), which represents the collective voice of audiology students. The SAA is committed to serving students of all backgrounds pursuing careers in audiology including advancing their rights, interests, and welfare. The SAA provides an abundance of resources and a wealth of information for students to get started.

Sponsorship benefits include:

- Recognition on Foundation and SAA websites.
- Recognition of sponsor will be on all application and promotion materials.
- Sponsor will receive recognition on a post-annual meeting news article.

AAAF Research: Research Grants in Hearing and Balance

\$2,500 minimum

As the Academy's Foundation supporting research, the Foundation identifies research priorities areas that reflect the pressing needs to support work within the organization. At this time, the key research objectives will focus on evidence regarding the value of hearing screening (related to the USPSTF recommendation) and evidence about patient safety and direct access to audiology services.

These two topic areas have been identified as *priority* areas of focus but not to limit the award only to one of the areas. There is ongoing consideration for innovation and reflection that other might identify a more emergent priority need for research.

AAAF Education: AAA Foundation Named Scholarship Program

\$15,000 or higher (Plus Overhead)

Partner with the AAA Foundation to create your own named scholarship program. The program would provide funding for qualified AuD, PhD, and AuD/PhD students to use toward tuition, books, or room and board.
