

PRESS CREDENTIAL FORM

AAA2024 + HearTECH Expo
April 17-20, 2024

Georgia World Congress Center
285 Andrew Young International Blvd NW
Atlanta, GA 30313

Press credentials for the AAA 2024+HearTECH Expo on April 17-20, 2024 are limited and will be issued at the discretion of the American Academy of Audiology. Admission to the press is restricted to those issued press credentials via this form.

AAA 2024 will present cutting-edge basic, clinical, technical, and audiological research. Through featured sessions, learning labs, research and poster presentations, attendees will hear from world-renowned leaders in the field of audiology.

The annual conference will be held April 17-20 in Atlanta, Georgia. Press credentials allow media to attend featured sessions, learning labs, research and poster presentations, the HearTECH Expo, as well as free networking events and activities. Media may also attend paid events but must register and pay during the registration process. Please note: Media are not permitted to earn CEUs nor to attend board and committee meetings.

Schedules for the meeting may be found here:
