Poster Sessions (up to .6 CEUs)			
List Poster Presentation numbers. For complete Poster CEU instructions, see the Conference App.			

Take notes during sessions in preparation for the overall assessment of learner outcomes.
The assessment is a requirement in CEU Manager.

1. Identify at least three new concepts you learned at the educational sessions. Relate these concepts to the learner outcomes of each session.
2. Identify one way that your practice of audiology will change or be enhanced as a result of attending the educational sessions.

No need to submit a copy to Professional Development. The CEU Worksheet is for your records ONLY.
