

1

Confirm Your Eligibility

To be eligible for an AAA Foundation Scholarship, you must be a [current National SAA member](#) at the time of application and award, be currently enrolled in an AuD, PhD, or AuD/PhD Program at a U.S. university, and cannot graduate in the Spring/Summer 2026. *Specific scholarships may have additional criteria. Previous scholarship awardees are not eligible for the same scholarship program they have already been awarded.*

2

Submit Your Application – April 30, 2026

Applications for the 2026 scholarship cycle will open January 21, 2026.

3

Submissions Reviewed by the National SAA & AAA Foundation Staff

All applications will be reviewed by the National SAA & AAA Foundation Staff to confirm eligibility.

4

Applications Reviewed by the Scholarship Review Task Force

The Scholarship Review Task Force will select recipients from eligible applicants for each scholarship program as outlined on the [AAA Foundation website](#).

5

Notification

Recipients and non-recipients will be notified on or before August 15, 2026. *Students are only eligible to receive one scholarship per academic year.*
