

2027 Sponsorship and Promotional Opportunities

Raise your visibility. Build your brand. Make an impact.

Position your company as an industry leader by partnering with the American Academy of Audiology—the world's largest professional organization of, by and for audiologists.

Engage and Influence the Audiology Marketplace

Representing the interests of audiologists and future audiologists, the Academy is dedicated to fulfilling its mission: providing quality hearing-care services through professional development, education, research, and increased public awareness of hearing and balance disorders.

The Academy brings you unprecedented impact and reach through the most comprehensive suite of organizations, events, products and publications in the audiology industry.

Connect your brand and show your industry support/commitment to the following suite of Academy properties.

- The **AAA Annual Convention** is your chance to engage thousands of Academy member and non-member audiologists all in one place all at one time.
- The **American Academy of Audiology Foundation (AAAF)** and their mission is to promote philanthropy in support of research, education, and public awareness in audiology and hearing sciences.
- The **Student Academy of Audiology (SAA)** is an organization of, by, and for student audiologists. The SAA is a direct connection between students and their future professional home and discipline.
- The **American Board of Audiology (ABA)** is a certification organization dedicated to enhancing audiological services available to the public by working with expert practitioners across the globe to create universally recognized standards in professional audiology practice.
- The **Accreditation Commission for Audiology Education (ACAE)** is a certification organization dedicated to recognizing, reinforcing, and promoting high-quality performance in AuD educational programs through a rigorous verification process.
- **Academy Research Conference** brings the industry's best and brightest together to address key areas of research like age-related hearing and balance decline.
- **eAudiology** is the audiology industry's go-to online learning resource for live and on-demand web seminars, AAA Annual Convention sessions, and certificate programs.
- The Academy flagship publication, **Audiology Today** is the award-winning, bi-monthly magazine of, by, and for audiologists.

SAA Student Series **SOLD!**

\$11,800 with custom session

It is no secret that students are eager for additional opportunities to learn and apply skills that are not fully expanded upon during their formal education settings. The SAA Student Series, developed by the SAA, will offer three educational sessions covering topics or themes of interest identified by students, for students. Position your company as a partner to build your brand with students before they begin their careers as audiologists.

Sponsorship benefits include:

- Recognition online where the SAA Student Series is mentioned, in the convention mobile app, the online conference planner and on signage at each session.
- Opportunity to introduce the speaker at the beginning of each session.
- The opportunity to distribute collateral at each session and introduce the speaker in each session.

If you are interested in developing and offering a session for students that will benefit their education, provide them with the latest research and tools while preparing them for success as an audiologist, we would be happy to work with you on session ideas. Sessions developed and presented by sponsors will be made available on a limited basis and at a cost of \$3,000 per session.

American Academy of Audiology Foundation (AAAF)

The American Academy of Audiology (AAA) Foundation's mission supports education, research, and public awareness in audiology and hearing sciences. Its many programs and initiatives impact audiologists, audiology students, and those with hearing loss and balance disorders. The AAA Foundation is a 501(c)(3) nonprofit organization.

Student Travel Grants

\$1,750 per student

Part of the Foundation's primary mission is to support education. To foster support for future audiologists, the Foundation would like to offer travel grants for students to participate and attend AAA Annual Convention 2027. Not only does this provide educational opportunities to students, it also provides a platform for networking and mentorship, meeting industry representatives, and allowing students to have the experience of everything the Academy offers at its annual meeting.

Travel grants also include membership in the Student Academy of Audiology (SAA), which represents the collective voice of audiology students. The SAA is committed to serving students of all backgrounds pursuing careers in audiology including advancing their rights, interests, and welfare. The SAA provides an abundance of resources and a wealth of information for students to get started.

Sponsorship benefits include:

- Recognition on Foundation and SAA websites.
- Recognition of sponsor will be on all application and promotion materials.
- Sponsor will receive recognition on a post-annual meeting news article.

AAAF Research: Research Grants in Hearing and Balance

\$2,500 minimum

As the Academy's Foundation supporting research, the Foundation identifies research priorities areas that reflect the pressing needs to support work within the organization. At this time, the key research objectives will focus on evidence regarding the value of hearing screening (related to the USPSTF recommendation) and evidence about patient safety and direct access to audiology services.

[**Back to snapshot**](#)

These two topic areas have been identified as *priority* areas of focus but not to limit the award only to one of the areas. There is ongoing consideration for innovation and reflection that other might identify a more emergent priority need for research.

AAAF Education: AAA Foundation Named Scholarship Program

\$15,000 or higher (Plus Overhead)

Partner with the AAA Foundation to create your own named scholarship program. The program would provide funding for qualified AuD, PhD, and AuD/PhD students to use toward tuition, books, or room and board. The minimum amount accepted is \$15,000, which may be dispersed in one scholarship cycle or over the course of up to five (5) years.

Examples include: one \$15,000 scholarship; three \$5,000 scholarships dispersed in one year; one \$5,000 scholarship each year for 3 years; or one \$3,000 scholarship each year for 5 years.

Overhead fee for development and implementation of scholarship programs – \$3,000 annually for the duration of the program:

- Includes promotion on the Foundation and SAA websites and recognition on the specific scholarship application.
- Includes program marketing via a dedicated blast e-mail, social media posts, a direct link in the Audiology Weekly e-newsletter, a dedicated ad in *Audiology Today* magazine, and a video message from the Foundation Chair posted online and on social media.

Academy of Audiology Foundation (AAAF) Happy Hour

\$6,500

The AAA Foundation's Fiesta is your opportunity to demonstrate your support to leaders and influential individuals in the audiology community.

The Foundation's flagship event is highly anticipated each year hosting 120-150 attendees. Not only is this event a chance for attendees to network and build connections but it showcases the important work the AAA Foundation is doing to promote philanthropy in support of research, education and public awareness in audiology.

The annual celebration honoring the [AAA Foundation](#) and its vital mission will be held at the St. Louis Marriott Grand. Attendees will enjoy a fun evening with great company and an open bar — all while supporting a cause that makes a difference.

Sponsorship benefits include:

- Your company will receive public recognition from the Foundation chair during the event.
- A representative from your company will receive 5 minutes of podium time to welcome the guests.
- Your company's logo will be featured on signage and the cocktail napkins at the event.
- Your company will also receive recognition in any electronic or printed promotional materials for the event, in the convention mobile app, in the online conference planner, and on the Foundation's website.
