

PRESS CREDENTIAL FORM

AAA Annual Convention 2027
April 7-10, 2027

America's Center Convention Complex
701 Convention Plaza
St. Louis, MO 63101

Press credentials for the AAA Annual Convention 2027 on April 7-10, 2027, are limited and will be issued at the discretion of the American Academy of Audiology. Admission to the press is restricted to those issued press credentials via this form.

AAA 2027 will present cutting-edge basic, clinical, technical, and audiological research. Through featured sessions, learning labs, research and poster presentations, attendees will hear from world-renowned leaders in the field of audiology.

The convention will be held April 7-10 in St. Louis, Missouri. Press credentials allow media to attend featured sessions, learning labs, research and poster presentations, the Exhibit Hall, as well as free networking events and activities. Media may also attend paid events but must register and pay during the registration process. Please note: Media are not permitted to earn CEUs nor to attend board and committee meetings.

Schedules for the meeting may be found here:
