A comprehensive approach to supporting and amplifying the value of audiologists at every stage of their career.

AMERICAN ACADEMY OF AUDIOLOGY®

Educate and Connect

AAA Annual Convention
Education, networking, and professional growth.

JAAA* and *Audiology Today
Audiology research and Academy initiatives featured to inform practice.

Clinical Guidance
Evidence based strategic documents to strengthen clinical decision making.

Student Academy of Audiology (SAA)
Supporting audiology students with opportunities to learn, connect, lead, and grow professionally.

Drive Audiology Forward

Practice Resources
Tools for all audiology practice settings to help improve payment and practice at top of scope.

Advocacy
Recognition of audiologists in federal regulation and stature as qualified practitioners directly available to patients.

Payment Reform
Billing code development and transparency of hearing insurance benefits to reflect the full scope of audiology services.

Advance Careers

ABA Board Certification
A practical option to demonstrate clinical expertise, like other allied health clinicians.

Leadership Development
Programs for audiologists ready to grow and lead.

DFAAA Fellowship
Tangible recognition for dedication to the profession.
